Religious School
Teachers

The Greater Atlanta EDC is excited to present a special Make-N-Take workshop with Sheila Riegel for religious school teachers. Learn how to make quick and easy centers focusing on three major topics: **ISRAEL, SHABBAT** and **BIBLE STORIES**.

Each subject area will feature kits specifically designed for working with students based on the following grade level groupings: PreK-2nd, 3rd-5th, and 6th & 7th Grades.

There are four opportunities to drop in and participate. Choose the date that best fits your schedule, RSVP with your Education Director, and start using these manipulatives in the classroom today.

RSVPs required

RSVP Today with your school's Education Director!

Education Directors are to send all responses to AtlantaEDC@yahoo.com Include: (a) teacher's name, and (b) workshop date they wish to attend.
